Alice, Eugenia, et al.,

Having gone through the effort of developing our table of assumptions distributed by Ed earlier, we believe Shane McDonald will be a valuable and necessary addition to our team for the meeting tomorrow. This is one more person than discussed on the bi-weekly call last Tuesday. Final attendee list for Pirnie is Ed Garvey, Shane McDonald, Bruce Fidler and Scott Thompson.

Please let me know if you have any questions.

Subject: Proposed agenda for the meeting on EMBM for Passaic River, Sept 11 10-3

All,

Our meeting will be at the HydroQual offices in Mahwah from 10-3 on Tuesday. We've been thinking that the best will be to start with Ed Garvey giving a presentation of the EMBM and limit our questions during the presentation to only clarifications on some point, then have a Q&A session followed by a discussion on next steps. Any other ideas and/or suggestions are welcome.

Ed Garvey, it will be very beneficial for the discussions if you can send us any material in advance.

Thank you,  
eugenia
